

## VACANCY ANNOUNCEMENT

The ECOWAS Regional Electricity Regulatory Authority (ERERA) is a specialized Institution of ECOWAS created in January 2008 by the Authority of Heads of State and Government of ECOWAS with the mandate of regulating cross-border electricity exchanges, establishing an enabling investment environment for regional power projects and providing technical support to national regulators of the electricity sector of ECOWAS Member States.

ERERA is currently engaged in the implementation of a series of critical and strategic programs, for which it wishes to recruit qualified and capable nationals of Ghana or other ECOWAS member-states resident in Ghana who are below the age of 50 years into the following positions at **ERERA** in, Accra Ghana.

Candidates wishing to be considered for the post should send their CVs and motivation letter to the corresponding E-mail address.
